Springfield, MA (November 12, 2012) – Rocky's Ace Hardware, a family-owned business, founded in 1926, proudly announces that Rocky's will be entering a new market with the opening of a brand new store in Fairhaven, MA. Construction at the new site began in June, on Saturday, November 17 the store will be revealed to the public. The store is located on Huttleston Avenue, (Rte. 6) in the Fairhaven Stop & Shop Plaza.

The Grand Opening Sale will start at 8am on Saturday with incredible buys from every department, including paint, outdoor power equipment, hand and power tools, pet food and supplies, cleaning supplies, holiday décor, plumbing, electrical and winter preparedness.

The Festivities begin promptly at 10am. To start off the ceremony Miss New Bedford 2013, Janelle Guenette will sing our National Anthem. Several Town Selectmen and local officials will join our President and CEO, Rocco Falcone II, in the official opening of the store, culminating with an unique board cutting ceremony. The Showstoppers, a talented and inspiring vocal group consisting of children from the area communities; will perform from 1pm to 3pm.

Throughout the day Rocky's will be giving away prizes and offering expert advice from our vendor partners like Benjamin Moore, Irwin Tools, Nutro Pet Foods, Hy-Ko Keys and Charbroil.

The state-of-the-art store is over 12,500 square feet, featuring approximately 10,500 square feet of sparkling, new selling space plus a 2,000 square foot garden center.

The store has been constructed with Green Technology and features advanced energy saving lighting to help enhance the shopping experience while saving natural resources.

“Soon a whole new audience of customers will acquaint themselves with our legendary customer service and enjoy the Rocky’s shopping experience we proudly offer.” Said Rocco Falcone II, President and CEO.
